Information and news for swimmers and parents in Improver Programmes

### Welcome

Welcome to Term 3 2010. I trust you all had a relaxing holiday and are looking forward to getting back into the roller-coaster ride of arranging sport and other activities. This term is a very busy one for the club as we will be holding our major fundraiser for the year, East Coast Swimming Champs. This will be held on the weekend of the 11<sup>th</sup> & 12<sup>th</sup> September at the Napier Aquatic Centre. There will be various notices asking for help in many different areas eg; donations of grocery items for raffle, officiating, BBQ/door rosters etc so if you are able to help we would really appreciate any of your precious time you are able to give.

### Programmes:

As most of you are aware I have taken over the coaching of the Improver Programme as Andre's course times at EIT have changed this term. Over the coming terms you may notice people coaching pool side with me as I train them for their practical sessions on how to be improver swim instructors. The reason for this is to grow the number of qualified swim teachers in this field. If at any time you are not comfortable with this or have any questions please do not hesitate to contact myself.

### Website

Don't forget to visit our website for regular updates on upcoming events.

### Fees:

There have been some changes to the fee structure for entry into the Improver Programme. Subs are \$95 for those swimming once a week and \$150 per week for those swimming twice a week. Rather than a yearly membership fee it was decided at the AGM for the fee to be charged at \$10 per term. Affiliation fees to HBPB and SNZ is a further \$105.00 for those wanting to enter meets over the year. This is a once a year charge that will be charged out this month. Entry into the pool at Napier Aquatic Centre is \$1.20 per swimmer. We have no control over the admission fee as this is charged by the Council.

### Notice Board

The Notice Board erected at the clock end of the pool is for the Improver Parents who wish to keep up with the news and upcoming events which you may wish to take advantage of e.g; Swim Meets, Club Nights etc. I will endeavour to keep this updated, so please refer to the board on a regular basis.

### Club Night

There is a Club Night this coming Friday the 23<sup>rd</sup> July. Entries are due in Thursday 22<sup>nd</sup> July. If you need any help with these please refer to the notice board or ask for help.
